PATENT

#16

RECEIVED

OCT 06 2000

OFFICE OF PETITIONS

PETITION TO MAKE SPECIAL FOR NEW APPLICATION
UNDER M.P.E.P. § 708.02, VIII

RECEIVED

OCT 16 2000

1. Petition

TECHNOLOGY CENTER 3700

Applicant hereby petitions to make this new application, which has not received any examination by the Examiner, special.

2. Claims

All the claims in this case are directed to a single invention. If the Office determines that all the claims presented are not obviously directed to a single invention, then applicant will make an election without traverse as a prerequisite to the grant of special status.

3. Search

A search has been made by the U.S. International Search Authority in International application no. PCT/US99/14254 which makes a priority claim to the present application.

Field of search: _____
class(es) 428 subclass(es) 86, 90, 96, 408, 112

4. Copy of references

A copy of the references deemed most closely related to the subject matter encompassed by the claims was previously filed in the application.

10/04/2000-EHAMOND 00000063 09333564

03 FC:122

130. OP

(Petition to Make Special for New Application under M.P.E.P. § 708.02, VIII—page 1 of 2)

5. Detailed discussion of the references

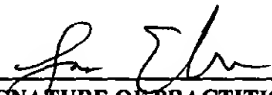

There is submitted herewith a detailed discussion of the references, which discussion particularly points out how the claimed subject matter is distinguishable over the references.

6. Fee

The fee required by 37 C.F.R. 1.17(i) is to be paid by the attached check for \$130.00
